

TROOP 56 PARENT TALENT SURVEY

Welcome to the Boy Scout family of our Troop. Boy Scouting is for parents as well as boys. As your son advances through the ranks of scouting, skills learned by earning merit badges need not be solely from summer camp and merit badge fairs, but throughout the year with the help of talented volunteers. Volunteers like you!

Your Boy-led Troop and Troop Committee are looking for volunteers who indicate a willingness to help, according to their abilities and skills. We are confident that you have education, talents, and hobbies that will help in the operation of our Troop. We invite you to share your skills and interests so the best possible program can be developed for the Boy Scouts in this Troop throughout the year to come.

Although your help may not be on a full-time basis, whatever you can do will be remembered by your son and the other boys in his Troop for many years to come.

Your answers to the questions here will help your son as well as his friends in the Troop in their personal advancement as well as in their program planning.

Your cooperation is very much appreciated!
